

Curriculum Overview - Awesome Egyptians

Literacy

- This term we will be reading Jeremy Strong's 'There's a Pharaoh in our bath' and Charlie Small and the Mummies Tomb.'
- We will use our stories as inspiration for some fact finding missions and we will be writing some non-chronological reports and instructions.
- We will write a biography of Howard Carter.
- We will look at word entomology, compound words and different types of punctuation.

Physical Education

We will be going swimming on Fridays please remember your child will need a full swimming kit, swim hat and towel.
We will also have a PE lesson on a Wednesday.

History, Geography, Art, Music, D&T RE PSHE and ICT

- **Geography & History:** We will be learning how to use North, South, East and West to locate places on maps and learning about the ancient Egyptian society.
- **D&T:** We will be making sarcophagi and headdresses using nets. We will also be investigating shadufs and design for purpose.
- **Art:** we will make hieroglyphics and explore Van Gogh.
- **Music:** Clarinets, recorders and exploring music for atmosphere.
- **ICT:** We will use our skills in ICT to present our learning to others. We will also be using programmes to experiment with giving directions.
- **RE:** We will be learning about different creation stories and sacred books and teachings.
- **British Values:** Treating others fairly - Equality and fairness.
- **PSHE:** Being a good friend.

Mathematics

- Multiplication tables.
- Fractions.
- Measure
- Perimeter
- Statistics.

Science

- We will be investigating states of matter looking at the effects of temperature on different materials and thinking about preservation.
- We will be learning about the sun, earth and the moon.
- We will revise our learning on the human body, organs and bones.

How you can help at home

- Practice multiplication tables together at home. (3,4,8,9)
- Read with your children and involve them in everyday maths tasks like shopping and cooking.
- Get involved with home learning and enjoy their enthusiasm.
- Get outdoors and live life together - we work really hard in school and you deserve your time together.

Homework

- Homework is on the website home at the start of term.
- Spellings - children should practise the words sent home with home learning activities.
- Reading - please read 3 times a week at home record this in your reading journal.
