11th February 2019

Dear Parents and Carers,

To launch our topic "Africa" next half term, we will be holding a dazzling discovery day where the children will become explorers.

We will be using the outdoors and woodland area to provide the children with exciting opportunities to learn and ignite their enthusiasm.

On Monday 25th February could all Year 1 and Year 2 children come to school in warm appropriate woodland clothes and footwear.

Many thanks,

Mrs Green and Mr Trickett
