ATTENDANCE Thank you for your support with attendance so far this year. We have had a positive start to the year and attendance for the whole school has been above 95% each week!

Many classes have achieved their 100% non-uniform day which has beaten last year's by a long way! Please remember school starts at 8.55am where children should be in class ready to start their learning. This week we had **20** late marks recorded in the register. This compares with **7** the previous week. Let's improve our punctuality.

We have an increasing number of children being collected late from school. Please note, in such instances, to ensure your child's safety, they will be put in to our After School Club and there will be a subsequent charge on your ParentPay account. Thank you.

Thank you very much for your Harvest Donations, Lichfield Food Bank would like us to pass on their thanks to you all. We hope you enjoyed the Harvest Celebrations that the children worked so hard to learn. Thank you to everyone that stayed to the end and heard all classes perform.

LACHES WOOD

Next week, Year 6 are off on their residential to Laches Wood. We hope they have a fantastic time and the weather is kind to them! Mrs Stanley will be joining them for the week but Mrs Nowell will be available in school should you need to talk to her.

Year 1 Learning Together Morning.

Children and parents have had a fantastic time learning together all about Grammar and linking it to their current topic of dinosaurs.

HEAD LICE

To stop the spread of head lice within school, PLEASE check your child's hair every day. It is imperative to **TREAT AND RETREAT** head lice to ensure all eggs and lice are removed over a period of time.

PUPIL LEAVE OF ABSENCE

Should it be unavoidable to take your child out of school during term time, please complete a Pupil Leave of Absence form. You may be subject to a penalty notice fine, in line with Staffordshire County Council's Code of Conduct.
