

# HEADLICE

We still have headlice in school. This is not going to go away unless everyone checks and combs hair regularly. You only need to miss one tiny egg and the lice quickly multiply. Please support us in this and check and comb daily.

Well done to Year 6 who put on a fantastic assembly to show their parents all about their week at Laches Wood. They all had a fantastic time and enjoyed all activities including those they were a little unsure of at first! We were very proud of their attitude to everything and their fantastic behaviour. We are already looking forward to next year, Year 5.

## School CLUBS

We have had a fantastic response to our After School Clubs this term. It has been great to see all the activities going on even with the colder weather we have seen this week.

There are still spaces at hockey club (Y3,4,5,6) so book through ParentPay if your child would like a place.

Don't forget to dress appropriately for the colder weather especially for EYFS Woodland days or Forest School Days. We go out in all weathers! It is so much fun!

Every class will have 1/2 term of Forest School during the school year.
