SAFETY OF CHILDREN

◆ If someone different is collecting your child at the end of school could you please let either class teacher or office know. If we are unaware of changes we will contact parents to check before allowing a child to leave to ensure everyone remains safe.

◆ Safety—Children have been seen throwing sticks at the end of school. This can cause an injury to others. Please could you ensure your child is appropriately supervised at the end of school after staff have handed children over to adults.
