**Safer Internet Day 2019**  
Tuesday 5 February  
Together for a better internet

This year in the UK, Safer Internet Day will focus on how consent works in an online context and will ask young people to explore how they ask, give and receive consent online. This could be in their friendships or relationships, how they take and share images and videos or how they manage their privacy and data.

**\*\*\*Please join us in school for a learning together session where we will focus on consent online\*\*\***

**EYFS/KS1: 9.15am-10.15am**

**KS2: 10.45am-11.45am**

## GOOD NEWS!

It has been confirmed that the local council will not be axing our school crossing patrol. We are very happy to know that the children will still be supported when crossing the road.

## OPEN DOOR POLICY

We pride ourselves on working with families to ensure all children are happy because that's when we all learn best. We also appreciate that children fall out and accidents can happen. If you have any questions or concerns please share them with a member of staff in school so we can support all our families as best we can whilst equipping the children with skills needed to be confident Lichfield citizens.

Please contact class teacher in the first instance if you need any help or support.

## A GENTLE REMINDER

Dogs are NOT permitted on school premises.

REMINDER: Children MUST NOT bring phones to school.

Have you recently changed your telephone number?

Please ensure you notify the school office.

Thank you.

Please DO NOT park in Disabled Parking spaces on school premises for collection from Afterschool Clubs unless you are eligible to do so. Thank you.
