

# THE CHARNWOOD CALENDAR

## RETURN TO SCHOOL - 8TH MARCH

Following the announcement for the 'route out of lockdown 2021', we have looked at our upcoming calendar and would like to inform you of our plans for the upcoming half term.

## WHAT'S ON...

### **Mental Health Week** **Monday 1st - Friday 5th March**

In school and at home children will be exploring their emotions and gaining skills to help them manage their mental wellbeing.

### **World Book Day** **4th March**

Children in school and at home will be celebrating World Book Day by dressing in non-uniform or costume and decorating a spoon based on their favourite book or character - Miss Tomlinson has shared more information on Class Dojo. There will be 2 live assemblies during the day - one for KS1 and one for KS2. Links to be shared on Dojo.

### **British Science Week** **8th March to 12th March**

Thanks to the wonders of science, children will return to school on the 8th of March and will kick off their in school learning with a science focus. Don't forget to talk about the learning together at home.

### **Mother's Day**

We were unable to run our in school event last year. Many people purchased tealights to paint. This year we plan to paint these with the children in school and they will bring them home with them. If you did not purchase a tealight last year then children will have an alternative craft activity to complete to bring home. We thank you for your understanding and hope that next year we are able to run an event in school to celebrate this day.

### **Bikeability** **Year 5 - Friday 26th March**

Ran in adherence with national guidelines regarding bubbles and activities.

### **Parents and Carers Evening** **30th and 31st March**

We will be holding a telephone parent's evening so that we can discuss your child's progress and next steps. Invitations to book a telephone call will be sent out to you. If you are unable to take a call then you can always request an email update of your child's attainment information. We hope to be able to hold our usual face to face summer open evening in July.

### **Easter Celebrations** **Monday 29th March**

We will be unable to hold our usual Easter events in school (such as the bonnet parade). Instead, we will complete Easter activities in school with the children including our usual Easter Egg Hunt in class bubbles. If you desperately want to make something 'Eggciting' as a family for this occasion, then please feel free however there will be no competition this year.

### **Inset Day** **1st April**

School will be CLOSED for an Inset Day so that stakeholders can work together to plan for our future development. Easter holidays will follow this with children returning to school On Monday 19th April.

### **Other Class Dates** **Throughout March**

Class teachers may also plan additional activities or events throughout the month so continue to stay in touch by keeping an eye on Class Dojo and the school website for information on these for your individual child/ren.
