## Invacuation Policy

This policy should be read alongside the Business Continuity Plan.

Invacuation is the opposite to evacuation.

This policy will be put into operation by any member of the Senior Leadership Team (SLT), or in their absence the member of staff noting the issue, if conditions outside of the building are deemed unsafe or dangerous.

Refuge will be sought within the building in instances such as environmental hazards - smoke cloud, suspected chemical leak, or in incidences where dangerous interloper(s) are within the school grounds or immediate local vicinity etc

### Overview of procedure

- The Invacuation procedure will be signalled when a member of staff blow/s a whistle 5 times.
- If unable to do so staff members will communicate the need to go into the building urgently by whatever means eg: shouting instruction.
- On hearing the signal, all outside staff and children must return to their classrooms in a calm and orderly manner through the nearest door. They must proceed to their classroom if possible.
- Staff and children who are already within the building must either remain or return to their classroom.
- All windows must be shut and remain closed.
- Reduce the visibility of adults and children in the room, from outside view by closing blinds, turning off lights, have children sitting/ lying on the floor.
- Do not leave your room until you receive the all clear by the Head Teacher or Deputy Head Teacher.

### Principal/Vice Principal actions

- Assess situation
- Signal Invacuation procedure and initiate whistle signal.
- Report incident to the school office.
- Contact any necessary emergency services describing nature of incident and access point to grounds.
- Allocate roles from the school office.
- Office staff to phone other staff using mobiles where possible and ascertain the situation.
- Relocate staff and children if necessary. This includes sending support to staff on their own, or relocating staff and children out of classrooms into other areas of the school building.
- Principal or Vice Principal to give the instruction for all clear.
