

Days of the Week Song

(To the tune of "The Addams Family")

Days of the week, (snap snap)
days of the week, (snap snap)
days of the week,
days of the week,
days of the week. (snap snap)

There's Monday and there's Tuesday,
there's Wednesday and there's Thursday,
there's Friday and there's Saturday,
and then there's Sunday.

Days of the week, (snap snap)
days of the week, (snap snap)
days of the week,
days of the week,
days of the week. (snap snap)
