

Curriculum Overview

The Great Fire of London

Year 2
Autumn 2 2024
Miss Sivieri

English

- We will be using 'The Journey Home' written by Frann Preston-Gannon to write a persuasive letter.
- We will be using 'The Great Fire of London' written by Emma Adams to write a non-chronological report.
- We will be using 'There's No Dragon in this Book' written by Deborah Allwright to write a narrative.
- We will be continuing to practice joining our handwriting.

Physical Education

- In our PE lessons we will be doing dance indoors on a Tuesday.
- On Wednesday we will be developing our invasion games skills.
- Please wear the appropriate kit to school on these days and no earrings.

Foundation subjects

- **History:** In history, we will be learning about The Great Fire of London.
- **Art:** In our art lessons we will be learning about the artist Robert Delaunay and will be developing our drawing and painting skills.
- **Music:** In music we will be singing.
- **Computing:** We will be learning about how to create media through digital photography.
- **Faith:** Valuing new life.
- **British Values:** Equality Act
- **PSHE:** Health and Wellbeing

Mathematics

- We will be continuing to develop our addition and subtraction knowledge.
- We will then be moving on to geometry.
- We will be continuing good presentation in our lessons.
- Using Rekenrek and other concrete and pictorial resources to support our learning.

Science

- In our science lessons we are learning about living things and their habitats.
- We will be learning about animals and insects.
- We will continue to learn about the famous scientist Rachel Carson.

How you can help at home

- Practice multiplication tables together at home.
- Read with your children at least 3 times a week and record this in their journals.
- Involve them in everyday maths tasks like shopping and cooking.
- Talk about the days of the week, months of year and the times of day you complete certain activities.

Homework

- Look out for weekly home tasks on Class Dojo and sent home in bags or journals.
- Read your digital books on Bug Club and use MyMaths.
- Keep us updated on the fun things you do together so that we can build further relationships and make links in their learning.
